WORK EXPERIENCE

ZENITH BANK PLC (2018-Date)

Graduate Assistant (Fund Transfer Officer): I engage in the effective, efficient, and prompt posting of customers' fund transfer instructions within approved service turnaround time. I also participate in other activities such as Treasury Management, Asset Management, ATM Reconciliation, Cheques Truncation, FX transfer, Trade Services, Tax Management, GL Proofing and Reports, etc.

N-POWER VOLUNTEER CORPS, ST THERESA COLLEGE, IBADAN (2018-Date)

N-Teach Volunteer: I work as a part-time high school support teacher in a marginalized community to improve primary education delivery in Nigeria. My responsibilities include teaching, facilitating, counselling, and curriculum implementation of science education studies at St. Theresa's College, Ibadan.

UNIVERSITY OF IBADAN, IBADAN (2017-2018)

Teaching/Research Assistant: I instructed final year undergraduate students on Engineering Management and Facilities Systems Design courses (tutorials), respectively. I work as a tutorial assistant in the Department of Industrial and Production Engineering, University of Ibadan, where I mark undergraduates' assignments, tests, exams, reports, and term papers. I also work as an E-Librarian in the same department.

LA SECONDARY SCHOOL, IPETUMODU, OSUN STATE (2016-2017)

Science Teacher: I was responsible for intensive coaching and tutorials for high school students in basic science subjects like mathematics, physics, and geography. More than 70% of my students and mentees gained admission into top universities in Nigeria.

FAN MILK PLC, ELEYELE INDUSTRIAL LAYOUT, IBADAN (2014-2015)

Industrial Trainee: I worked with my supervisor in making a seasonal forecasting model for excellent production planning and control. I also made a work-study model to estimate the standard time of packing TCA products. Lastly, I designed a Hoist that can be used in carrying foil paper at the Scan Store unit.
