Gender Male |Date of birth 19/10/1993 |Nationality Nigerian

PERSONAL STATEMENT

A result-driven young professional with interest in the research and development of water sciences and resource management. Motivated by the needs to protect and conserve freshwater quality and quantity from anthropogenic activities, climate change and extreme weather events. Also, an environmental enthusiast that seeks acquisition of knowledge through research findings and use of such knowledge to bridge the gap between research findings and practical applications.

FORMAL EDUCATION

2013 – 2018

**BSc. Water Resources Management and Agrometeorology
(Hydrology Option)
First Class Honours**

Federal University of Agriculture, Abeokuta, Ogun-State, Nigeria/www.funaab.edu.ng

2004 – 2010

Senior Secondary Certificate

African Church Grammar School, Abeokuta, Ogun-State, Nigeria

1998 – 2004

First School Leaving Certificate

St. Paul's Demonstration School, Abeokuta, Ogun-State, Nigeria

FURTHER EDUCATION

2020

**Introduction to Water, Sanitation and Hygiene (WASH)
United Nations for Children Fund (UNICEF)**

This course specialized on Service delivery, Enabling environment, Emergency response and Impacts of Water, Sanitation and Hygiene (WASH).

2020

**Natural Attenuation of Groundwater Contaminants: New Paradigms, Technologies and Applications
Rice University, Coursera**

This course focused on Monitored Natural Attenuation (MNA) as an evolving technology, Biodegradation principles, Abiotic degradation principles, Attenuation and Storage in Low k-zones, Dilution as an Attenuation process, Compound specific isotope and Molecular biological tools, Monitoring for MNA, Modelling tools to support MNA and New directions for MNA.

2020

**Introduction to Sustainability
University of Illinois at Urbana-Champaign, Coursera**

This course specialized on Population, Ecosystems and Climate, Energy, Water and Agriculture, Environmental policy and Sustainability measurement.

2020 Ecology: Dynamics and Conservation American Museum of Natural History, Coursera

This course focused on Ecosystem recovery, Population study, Coexistence of organism and Ecosystem as a System.

WORK EXPERIENCE

2018 - Present

Public Health Protector Volunteer

Safe Environment Initiative

- Collaborated with the Water Step to distribute disinfectant (bleach) across 200 Primary Health Care (PHC) centres to prevent and fight the spread of COVID-19 in Ogun-State, Nigeria.
- Spoke on Sustainable Development Goals (SDGs) to create awareness and sensitize corps members at Education Community Development Service (CDS) in Crossriver-State, Nigeria
- Visited Elementary and High schools to sensitize the students on appropriate hygiene practices like proper hand washing habits.
- Organized clean-up events periodically in Ogun-State, Nigeria.

Business or sector Non-profit organization

2019 - 2020 Teacher

Mary Immaculate Girls' Juniorate

- Planned Mathematics and Physics lesson notes weekly with strict adherence to the curriculum.
- Adopted range of teaching methods on the students to establish a positive learning outcome.
- Involved and refined social abilities and learning skills amongst students.

Business or sector Educational Sector

2018 – 2019 Geotechnician (Intern)

Ashington Geoconcept Limited

- Worked closely on-site with the senior geologist to conduct over two hundred and fifty geophysical survey investigations for groundwater exploration and exploitation.
- Analyzed geophysical survey investigation data and seek advice when necessary.
- Supervised drilling of three shallow and deep water wells.
- Collected water samples from water well for laboratory analysis.
- Diagnosed and inspected treatment of the contaminated water wells.

Business or sector Business

RESEARCH EXPERIENCE

2017 – 2018 Hydrometeorologist (Intern) Hydro-meteorological Data Documentation

Ogun-Oshun River Basin Development Authority

- Gathered, analyzed and documented daily inventory meteorological indices from the weather station.
- Measured, compiled and cataloged hydro-meteorological indices into group computerized modules.
- Administered meteorological and hydro-meteorological data for research purposes with the permission of the Head of Unit.

Business or sector Public Sector

PERSONAL SKILLS

Mother tongue Yoruba

Other language(s)

English

UNDERSTANDING		SPEAKING		WRITING
Listening	Reading	Spoken interaction	Spoken production	
C1	C1	C1	C1	C1

Medium of Instruction

Organizational/managerial skills

- Leadership (I represented over 100 students at the Community Development Association (CDA) for 2016/2017 academic session).
- Interpersonal skills (I organized tutorial sessions to help my classmates and lower-level students in difficult courses during my undergraduate studies).

Digital competence

- Excellent command of office suite (word processor, spreadsheet, presentation software)
- Good command of statistical software (SPSS)
- Good command of WinResist software

Other skills

- Team work
- Time management
- Adaptability
- Fashion designing

ADDITIONAL INFORMATION

Publications

- Assessment of Lagos Coastal Groundwater and Soil for the cultivation of Tomato, 2020 (Under review).
- Water use efficiency of Cucumber using Potted and Non-potted media, 2020 (Under review).

Conference

- Annual Flood Outlook, Nigeria Hydrological Services Agency (NIHSA)

Seminars

- Let's Break the Chain of COVID-19 Infection, Mohammed Bin Rashid University of Medicine and Health Sciences.
- Webinar: Water pollution from Coal mines, Australian Water School.
- Webinar: Irrigation using the Cloud, Australian Water School.
- Webinar: Unlocking water resources to expand Agriculture, Australian Water School.

Honours and Awards

- Senate Annual Prize for First Class Honours Graduating Students, 2017/2018 Academic Session.
- Best Graduating Student, Water Resources Management and Agrometeorology, 2017/2018 Academic Session.
- Bright Brain, Water Resources Management and Agrometeorology Students' Association, 2018.
- Beneficiary, Aliu Abdulkabir Scholarship Foundation, 2017/2018 session.

Membership

- International Association of Hydrogeologists (IAH)
- Safe Environment Initiative (Co-founder)
- HydroAccess (Co-founder)
